

A Letter from the US Field Office

March 2026

To: Lighthouse Leaders

Area Leaders

SPC

State Leaders

U.S. Directors

Greetings to you all! This is Part II of the housekeeping letter originally sent out in January. You can read that letter by [clicking here](#). This is to bring you up-to-date or remind you of some other details.

Thank you for keeping these letters in your files so you have easy access to the information in them.

First, there seems to be some confusion regarding the payment for Insurance for 2026. This year we have increased the amount due to \$275. The rising cost in insurance over the last several years has been the impetus for the increase. We continue to received checks for \$250 (last year's amount) and we will be asking you to complete your payment by sending in the additional \$25. Please be sure to mark the memo line with **Insurance Complete** so the check is posted to insurance and not as a regular donation. Remember we ask Area Teams to pay the full amount and then assess their Lighthouses to reimburse them a portion of that amount. Lighthouses do not send insurance money to HQ.

The USNLT met for their yearly week-long meeting in February and discussed a couple of things that affect the field. We have spent some time getting those things together so we could pass them on to you. The following list gives you the information you need:

- **Aglow Funds:** Over the last few months we have had some mishandling of Aglow funds. This has happened occasionally over the years. It is felt that this occurs because of a lack of understanding about Aglow funds. Aglow is a 501c3 ministry. This means we can accept donations and those who donate to us can receive a tax deduction for their gift. As such, the IRS expects that monies given to the ministry on any level are to be used for furtherance of the ministry. Therefore, we are asking that all leaders sign a fiduciary statement beginning April 1, 2026. Your US Director will get the form to you then you will need to sign and send the form back to your US Director and a copy to DruciAllen@aglow.org.
- **Prayer:** Aglow people are certainly praying people. It is beautiful how our Lighthouses and Area Teams meet frequently for prayer. Prayer is truly foundational in everything we do. At our recent USNLT meeting, our US leaders strongly sensed that we need to be even more intentional in how we lead prayer and grow in prayer together. With this thought, we are

enlarging the role of Area Team *VP Ministry Development & Resources* to ***VP Ministry Development, Resources & Prayer***. The job description for this position will include coordinating prayer for Area Team leaders and events, along with breakthrough prayer to see Aglow flourish in the Area. Also, VP of MDRP will encourage and nurture the development of Prayer Chairmen for Lighthouses. This will help strengthen our network of prayer and strengthen us all as we partner together for the Kingdom.

- **Podcast:** Sandy Wezowicz, Aglow's Israel Education Director, is doing a weekly podcast regarding truths regarding Israel. She is doing an excellent job and each podcast is a wealth of information. Sandy knows her stuff! We would like to suggest that you consider using these podcasts on occasion, rather than having a speaker at your monthly meeting. The podcasts are not long so you would be able to have discussion with the group after watching the podcast. The importance of Israel and Aglow's commitment to stand with Israel is something we all must understand, especially in today's climate. You can access the podcast at the following links:
 - YouTube - <https://www.youtube.com/@Israel-Unveiled>

 - Spotify - <https://open.spotify.com/show/35czCuPPoleCGJDscpzQOa>
 - Apple Podcast - <https://podcasts.apple.com/us/podcast/israel-unveiled/id1809264762>
- **Conference 2027:** We also want to give you a head's up about conference in 2027. We will be returning to Israel. Information will be forthcoming; however, this gives you time to start setting aside funds to enable you to join us. We haven't journeyed to Israel since 2019 and our hearts are homesick for the land. Stay tuned for more information.

Watch for details for the 2026 Conference in Washington, DC to be out soon. It is a strategic time for us to gather in DC, to place our feet on the ground after our president's call to rededicate our Nation to God on May 17th. Many of you have made prayer journeys into DC since 2008 and the convergence of prayer has brought our nation back to our roots. We will raise a standard for the Glory of the Lord in our nation!

Don't forget to tune in to the Global Passover Communion on Friday, April 3 at 10 AM PT. Participation will be available on the Aglow Facebook page or the Aglow YouTube channel. Mark your calendar!

Always remember that you as leaders of Aglow in the field are much loved and prayed for. We love your hearts to serve the Lord through the Aglow ministry. You are our heroes!

Much love,

Linda
